ACCOUNTING FIRM AULDRIDGEGRIFFIN HONORS FOUNDING PARTNER, CELEBRATES GROWTH

FORT WORTH, Texas – October 6, 2009 – Fort Worth-based accounting firm AuldridgeGriffin PC today recognizes founding partner Mike Griffin for his 25th year of leadership and the role he plays in the firm's continued success.

Griffin began his career as an accountant in 1971, and 25 years ago he and Tom Frazier founded Frazier, Griffin & Co. Two years ago, Frazier, Griffin, & Co. merged with Auldridge, Mathews & von Tungeln P.C. to form AuldridgeGriffin. The merger allowed for access to greater resources, more areas of expertise and a staff that has grown from 23 to 40 people over the past two years.

"Mike's strong leadership skills and work ethic are a cornerstone of our business; we would not be as successful without his influence," said co-founder Jack Auldridge. "I am proud to know him and appreciate his determination to grow the firm in an orderly manner, with integrity."

Today, AuldridgeGriffin is recognized as a highly respected CPA firm serving the North Texas community. The firm has grown more than 25 percent due to increased client needs and the addition of new clients. By the year's end, the firm will expand its office space by nearly 3,000 square feet to accommodate future staff members.
